EVERY 69 MINUTES ON AVERAGE
A US Veteran Commits Suicide

20 veterans and 1 active duty military personnel commit suicide every day across the US. They sacrificed everything to protect our freedom and it's our turn to give back to them.

EVERY DAY 3200 Dogs ON AVERAGE
Are Euthanized Nationwide

Some dogs are better suited for a life with a job. We provide them a future with a purpose and a life that is fulfilled by their bond with a veteran in need.

THE MISSION

Shelter to Soldier is a 501c3 nonprofit organization that adopts dogs from shelters and rescue organizations throughout Southern California and trains them to become psychiatric service dogs for post-9/11 combat veterans suffering from Post Traumatic Stress (PTS), Traumatic Brain Injury (TBI) and other injuries associated with traumatic service experiences.
