SAVING LIVES ONE *Swing* AT A TIME

# GOLF

TOURNAMENT

A purple heart recipient, Todd bravely served as an infantryman in the US Army deploying to Baghdad, Iraq twice for a total of 24 months. Todd also earned both a Combat Infantryman's Badge and Expert Infantryman's Badge for his service.

Riley was a failed scent detection dog without a home. He just needed to find his purpose and someone who would love him forever.

Todd came to Shelter to Soldier while struggling to find joy in the things he used to and to "find a purpose and reason to live."

Todd says "Riley has helped me recognize my worth and value. He also has given me the ability to trust again and see how much fun this world can be. He also makes me feel safe and not alone."

"Honestly, he and I won the lottery the day we met each other. He is a big "why" for me to get out of bed and make the best of the day."

**EVERY DAY**

ARE EUTHANIZED IN SHELTERS ACROSS THE UNITED STATES)

**SHELTER TO SOLDIER**

A 501C3 NONPROFIT ORGANIZATION

Shelter to Soldier adopts dogs from local shelters and trains them to become psychiatric service dogs for post-9/11 combat veterans suffering from Post Traumatic Stress (PTS), Traumatic Brain Injury (TBI) and/or other psychological injuries associated with traumatic service experiences. Shelter to Soldier also places emotional support animals (ESAs) with active duty military and veterans, as well as deploys the Canine Ambassadors therapy dog team to provide visits of love and comfort to military, veterans and their families throughout Southern California.
