Shelter to Soldier is a CA 501c3 nonprofit organization that adopts dogs from local shelters and rescue organizations and trains them to become psychiatric service dogs for post-9/11 veterans suffering from Post Traumatic Stress (PTS), Traumatic Brain Injury (TBI) and/or Military Sexual Trauma (MST). The program also places emotional support animals (ESAs) with active duty military and veterans, and deploys the Shelter to Soldier Canine Ambassadors, a team of certified therapy dogs and their volunteer handlers, to provide visits of love and comfort to local military, veterans and their families.
