Shelter to Soldier is a 501c3 nonprofit organization that adopts dogs from local shelters and rescue organizations and trains them to become psychiatric service dogs for post-9/11 veterans suffering from Post Traumatic Stress (PTS), Traumatic Brain Injury, and or Military Sexual Trauma (MST).

The program also places emotional support animals (ESAs) with active duty military and veterans, and deploys the Shelter to Soldier Canine Ambassadors therapy dog team to provide visits of love and comfort to local military, veterans, and their families.
